

Social protection in Mozambique's media

July 2023

International
Labour
Organization

▶ **Social protection: more needy families assisted**

27/07/2023 - Over a million households living below the poverty line have been assisted in the country since 2020 as part of actions aimed at alleviating their vulnerable situations. [Read more \(page 6\)](#)

▶ **INSS faces the challenge of promoting digitalization**

25/07/2023 - The promotion of the ongoing computerization process at the National Institute of Social Security (INSS) and the enrollment of its beneficiaries are the main challenges aimed at improving service delivery to users. [Read more \(page 6\)](#)

▶ **INSS urges contribution channeling**

24/07/2023 - The INSS is training company managers in human resource management to reduce irregularities resulting from the lack of deductions and contribution channeling. [Read more \(page 6\)](#)

▶ **Companies ended 2022 owing 4 billion meticaïs to INSS**

24/07/2023 - Several companies across the country had accumulated a debt of just over 4 billion meticaïs in contributions to the INSS by the end of 2022. The largest number of debtors is concentrated in the southern region, primarily in the city of Maputo, with construction and private security companies highlighted in terms of sectors. [Read more](#)

▶ **Led by the elderly: multiform support reaches 46 thousand families**

22/07/2023 - At least 46,028 households, mostly headed by the elderly, received multifaceted support in the first semester of the year in the country to reduce their vulnerable situation. [Read more \(page 6\)](#)

▶ **Vulnerable population: interventions strengthen social protection in the country**

20/07/2023 - The Gender, Child, and Social Action Sector are strengthening their intervention capacity to ensure nationwide assistance to population groups in extreme poverty and vulnerability. [Read more \(page 6\)](#)

▶ **Visually impaired individuals gain access to braille legislation on mandatory social security**

19/07/2023 - Visually impaired citizens in Mozambique will now benefit from regulations on Mandatory Social Security in Braille format, an instrument aimed at providing pensioners and retirees with accessible communication models without the assistance of third parties. [Read more](#)

▶ **Beneficiaries must be more engaged**

18/07/2023 - The Deputy Minister of Economy and Finance, Amílcar Tivane, emphasizes the need to involve recipient countries more in the construction of World Bank Group Support Programs to improve assistance efficiency. [Read more \(page 1\)](#)

▶ **INSS sees more self-employed workers enrolled**

10/07/2023 - Over 256 self-employed workers were enrolled in the National Institute of Social Security (INSS) in the first half of this year at various Service Points in the Gaza Province. [Read more \(page 24\)](#)

▶ **President of the Republic calls for support channeling to beneficiaries**

07/07/2023 - The President of the Republic, Filipe Jacinto Nyusi, called on employees and collaborators of the National Institute of Social Action (INAS) to deliver support to vulnerable groups to ensure their survival. [Read more \(page 6\)](#)
