

Session 8 – Consideration of the seminar’s recommendations

Thursday 24 November, 9.00-10.30 (1 hour and 30 minutes)

Moderator: *Representative of the ASEAN Committee on Disaster Management (ACDM), ASEAN Secretariat, International Labour Office*

Session Note:

The two group discussions agreed on a list of recommendations and actions to contribute to the implementation of the ADDMER Work Programme and the Regional Framework on Strengthening Social Protection, and the Sendai Framework. Those recommendations and actions were presented at the end of session 7, and combined into one document to be considered, amended and agreed by the participants during this Session.

Objectives of the Session:

- To adopt Seminar’s recommendations and areas of actions to reinforce the potential of social protection to build disasters’ resilience at country and ASEAN levels.

Organization of the Session:

The moderator of the Session will present the combined results of the group discussions, prepared by the drafting committee. The Session will discuss amendments and agree on a final set of recommendations of the seminar.
