

► ILO Global Flagship Programme on Building Social Protection Floors for All Development Partners Meeting 2023

Provisional Agenda

Geneva, 24 March 2023, 9 a.m. to 5 p.m. CET, Room XI, ILO HQ and Zoom

Background Information

Launched in 2016, the ILO's Global Flagship Programme on Building Social Protection Floors for All (SPF Flagship Programme) supports ILO Member States in developing sustainable social protection systems, including floors, and contributing to the United Nations Sustainable Development Goals (SDGs) on social protection (in particular targets 1.3 and 3.8), through a coherent structure to mobilize resources and achieve impact.

Phase II (2021 – 2025) of the SPF Flagship Programme was launched in 2021, aiming to build on the success of Phase I (2016 – 2020), which contributed to 39 institutional changes across 21 priority countries, including increasing legal and effective coverage for over 25 million people.¹

Phase II is now working across an expanded list of [50 priority countries](#), aiming to achieve a further 80 institutional changes and increase legal and effective coverage for an additional 60 million people.²

The first Development Partners meeting for Phase II offers the chance for the ILO and development partners to share progress made and lessons learnt in supporting and achieving the SDGs on social protection, and to collaborate on how to meet current and future challenges in a post-COVID context, including by exploring synergies between the SPF Flagship Programme and the Global Accelerator for Jobs and Social Protection for Just Transitions.

Objectives

Take stock of the progress made, results achieved and impact created during the first 18 months of Phase II of the SPF Flagship Programme, including through the multi-donor programme.

Share country and partner experiences in extending social protection to all, look at current and future challenges and opportunities, with a focus on key thematic areas: climate change and a just transition, digitalization, financing, informal economy, social health protection and unemployment protection.

¹ See [Building Social Protection Floors for All: ILO Global Flagship Programme, Report of the first phase \(2016- 2020\)](#).

² See [Building Social Protection Floors for All: ILO Global Flagship Programme, Strategy for the second phase \(2021-2025\)](#)

Join forces to accelerate the achievement of Universal Social Protection, including through the Global Accelerator on Jobs and Social Protection for Just Transitions.
