# ► Building social protection floors for all

ILO Global Flagship Programme

Strategy for the second phase  
2021-2025

# ▶ What is our vision?

- ▶ Expanding social protection to those who are left behind
- ▶ Closing the coverage gap is not possible without additional investments
- ▶ To achieve USP a system's approach to social protection is needed

# What is our ambition?

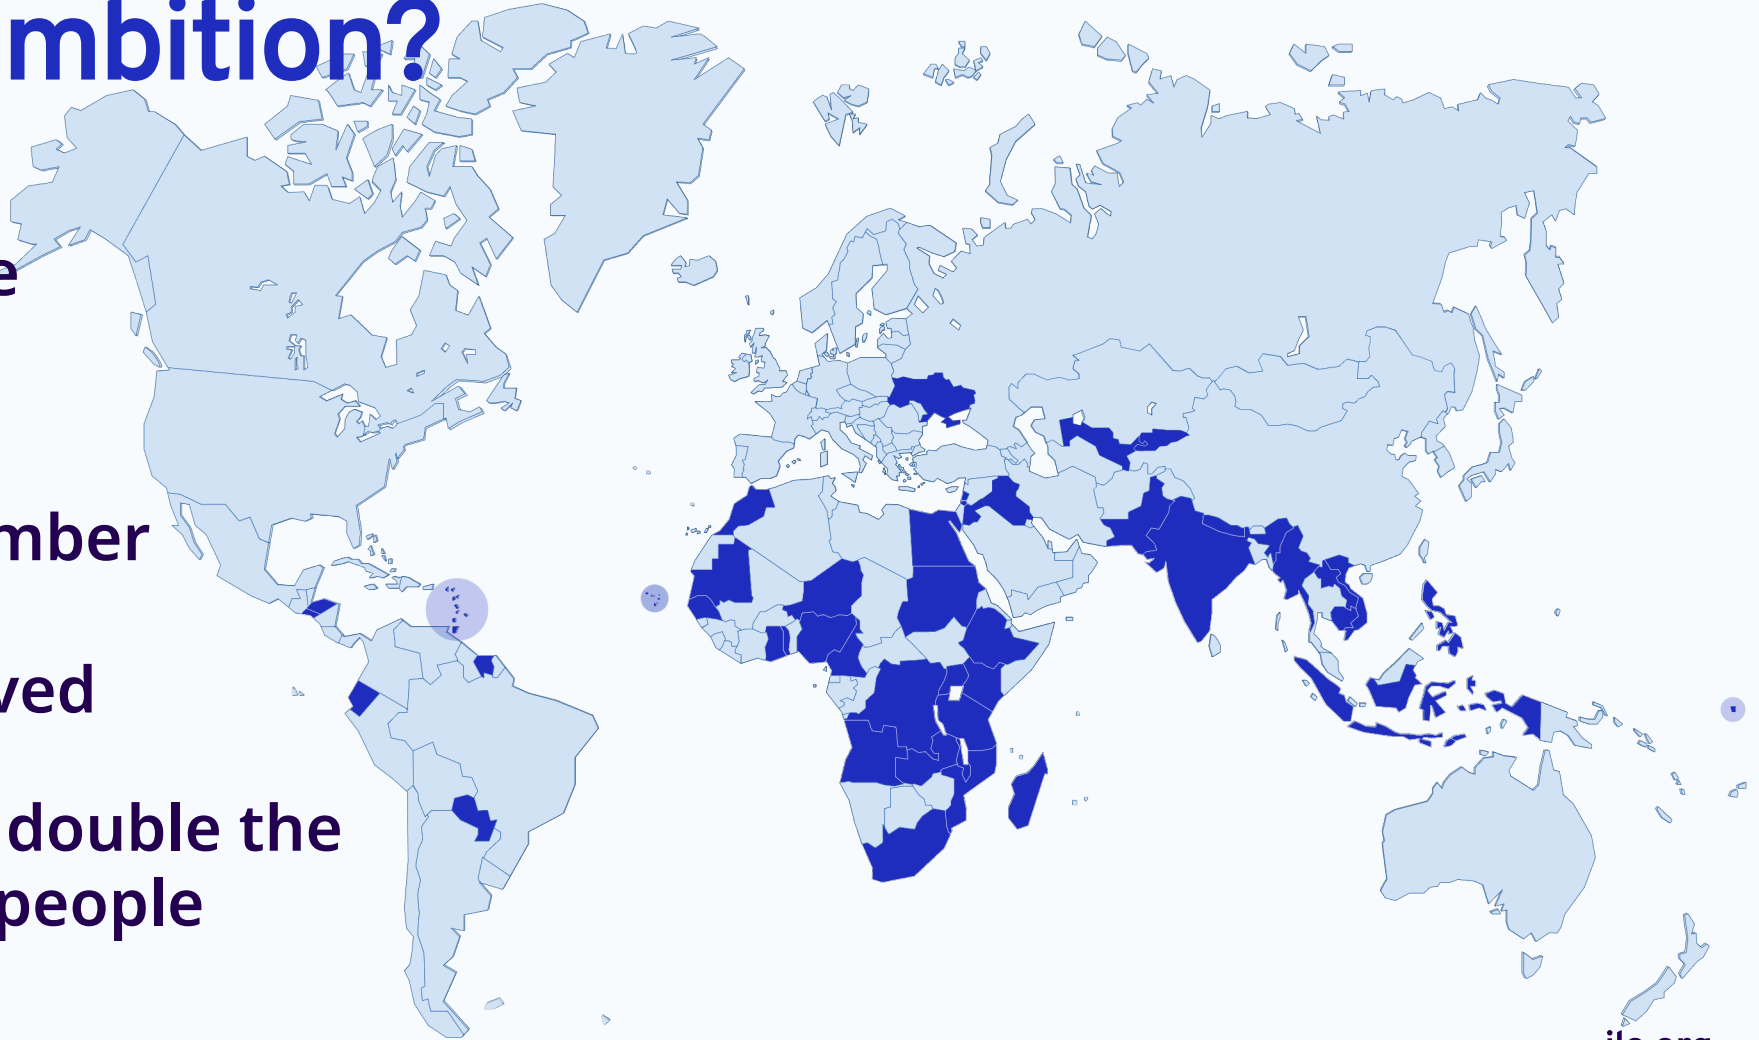

▶ More than double the number of countries

▶ Double the number of institutional changes achieved

▶ More than double the impact on people

# How will this change happen?

## Pillar 1

Supporting 50 priority countries to develop their national social protection systems following a three-step approach.

## Pillar 2

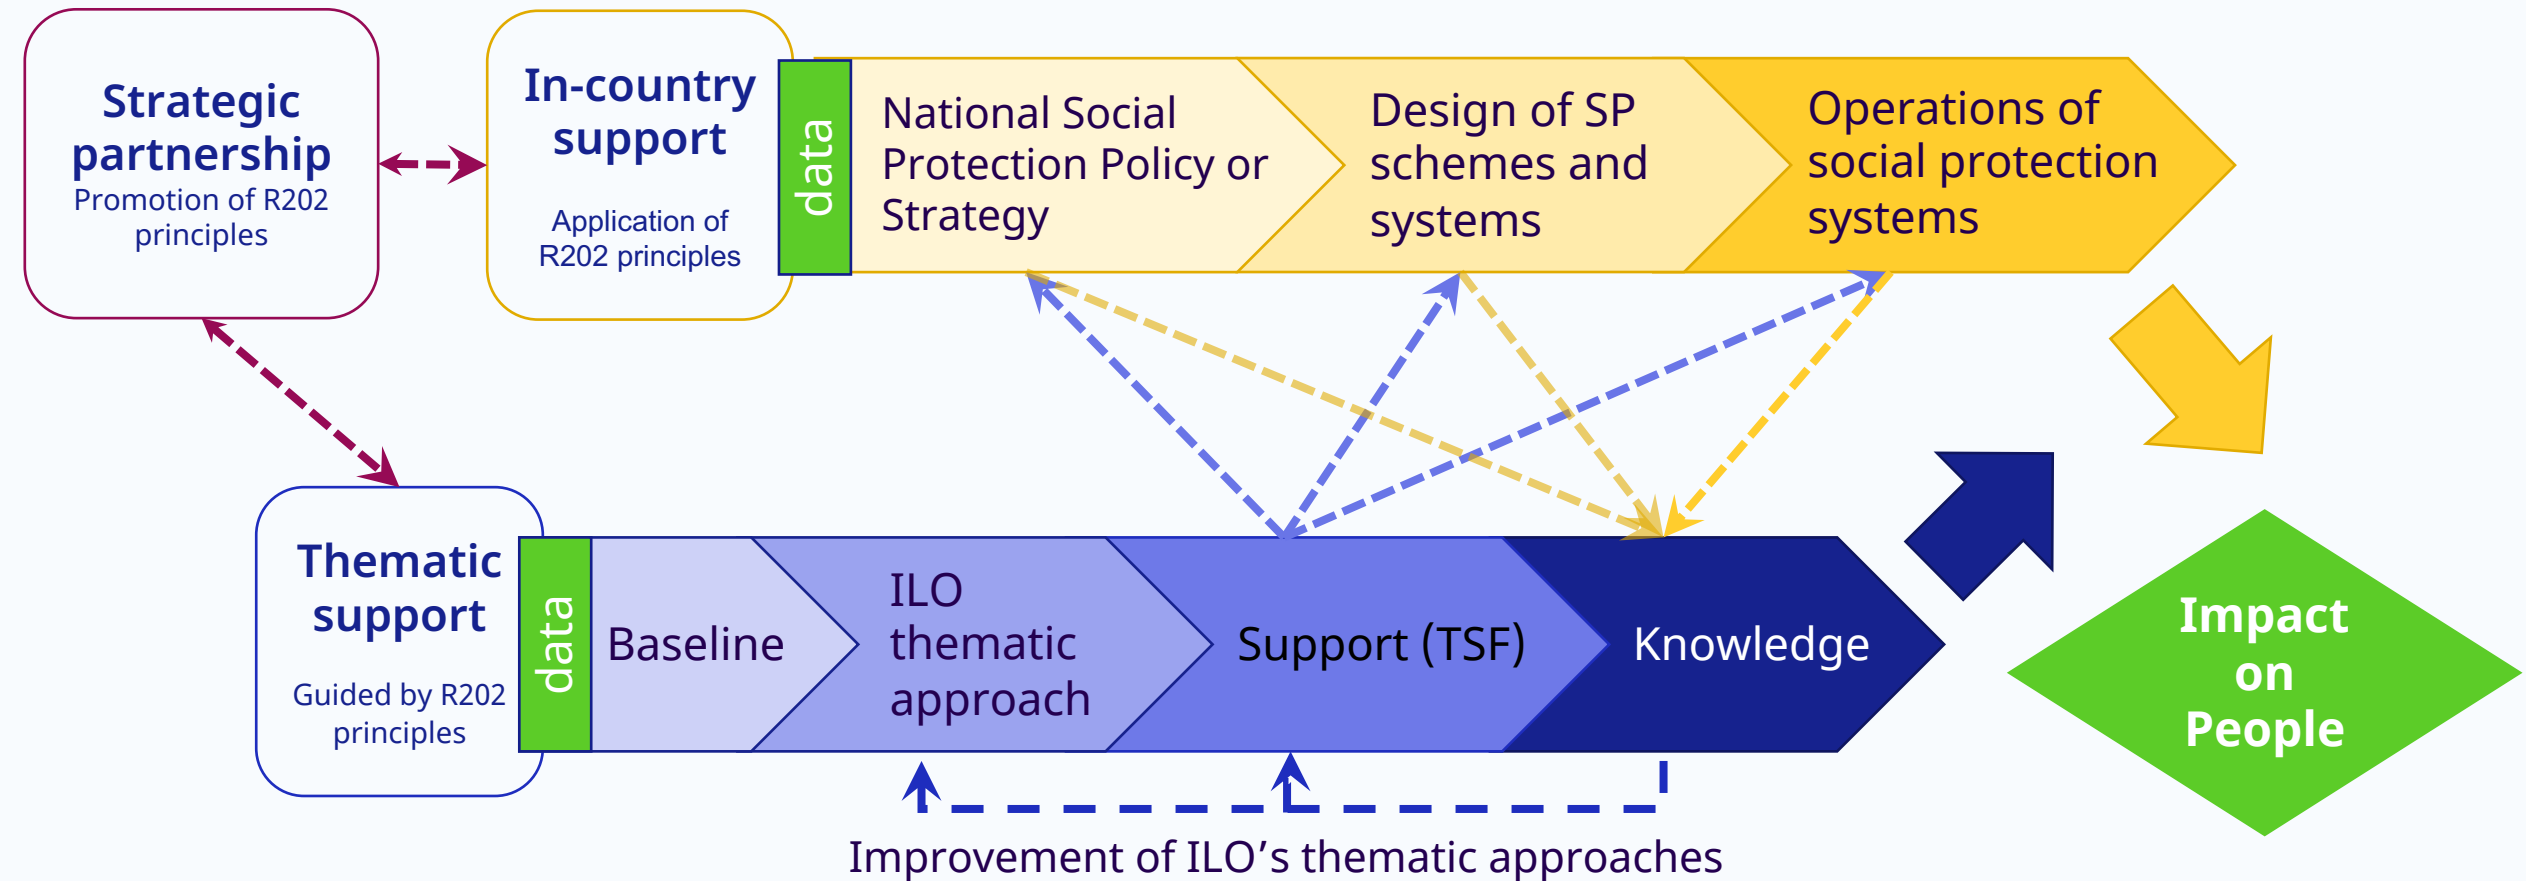

Supporting countries in 16 thematic areas and strengthening the knowledge base.

## Pillar 3

Working with social partners, development partners, the UN family, and the social protection community.

# How will this change happen?

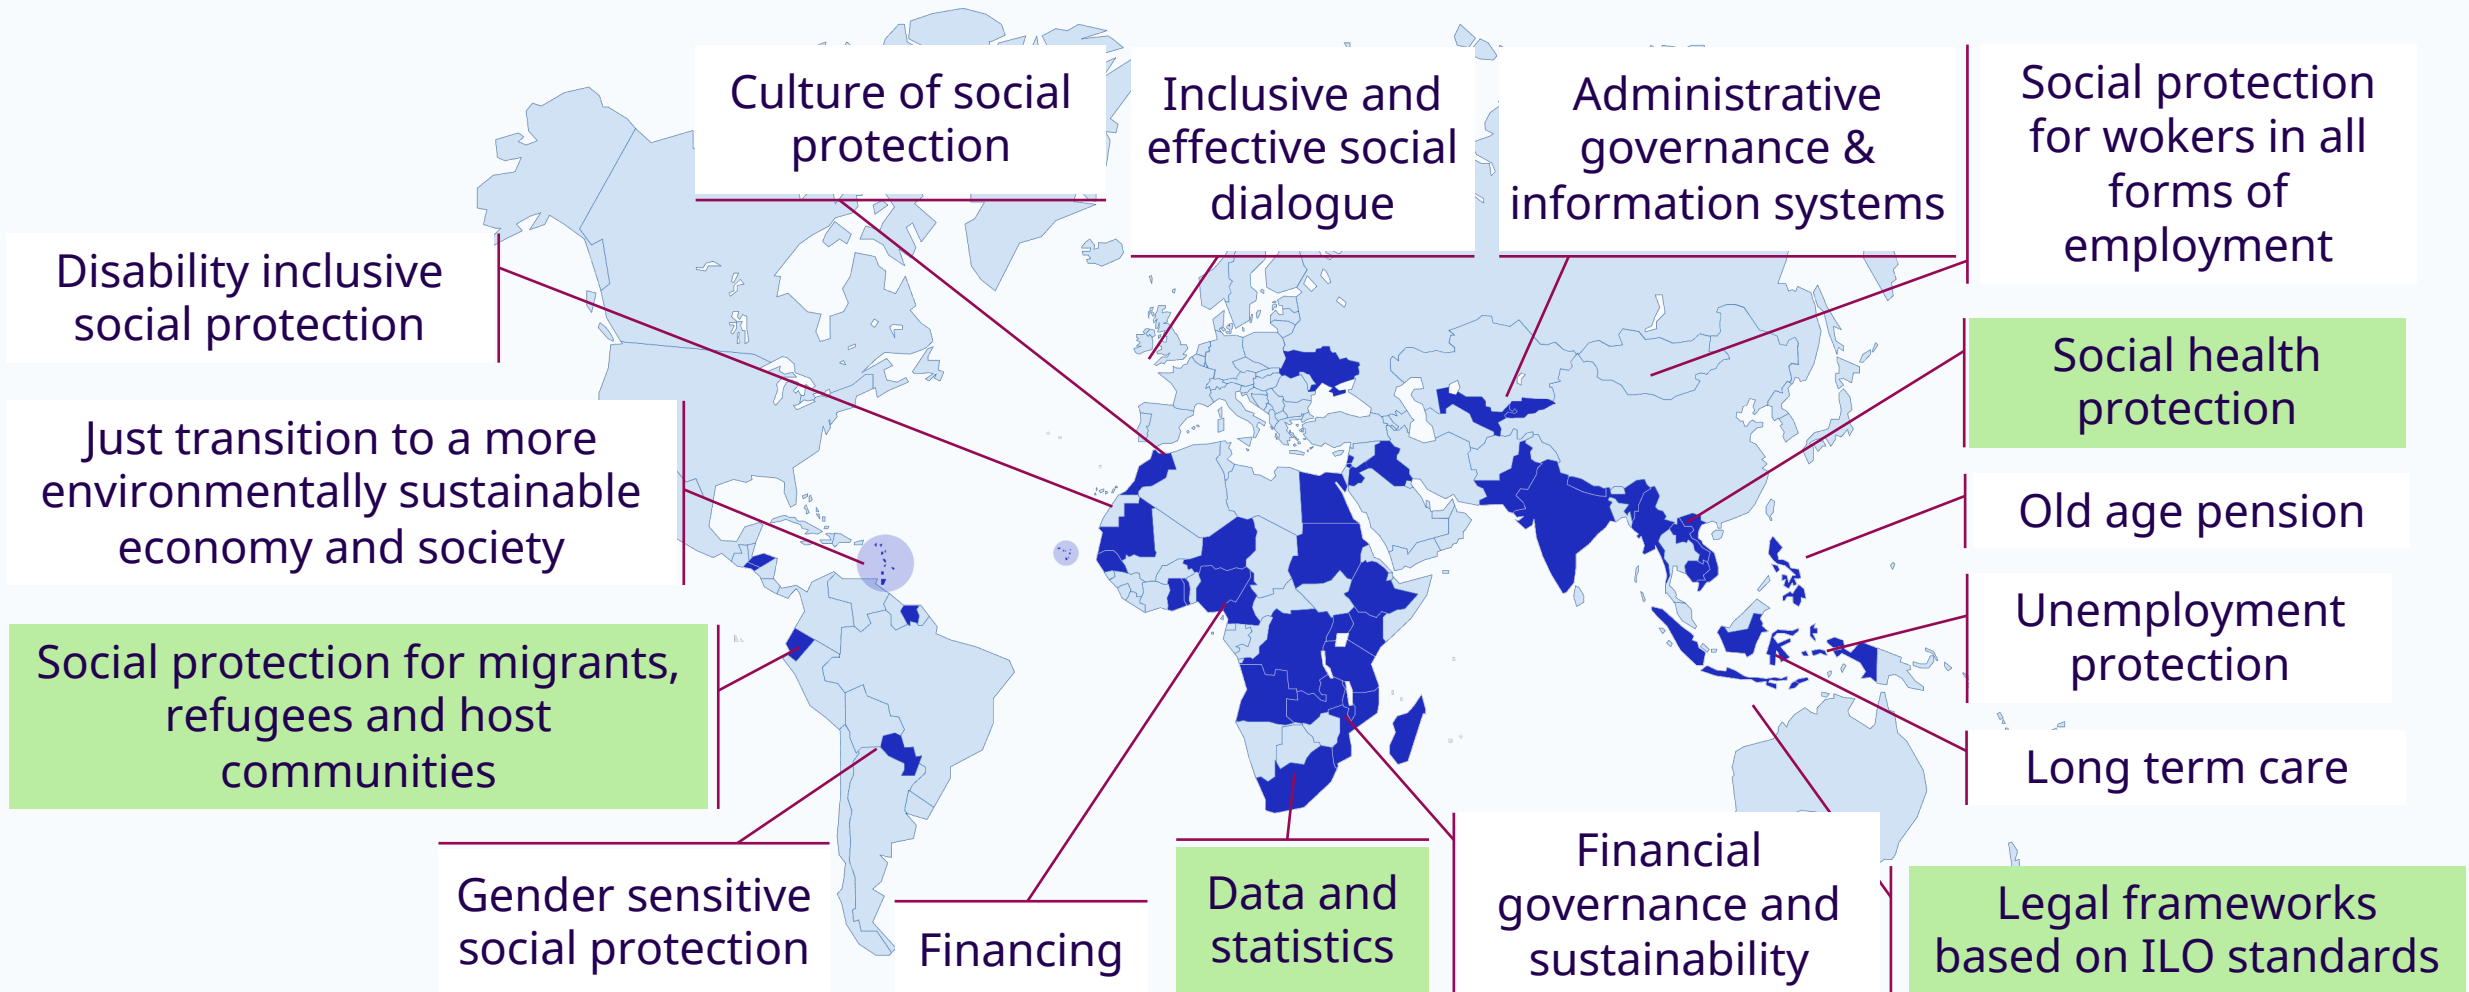

# Responding to more countries' demand

## 5 criteria:

- ▶ Vision
- ▶ Strong political will and national ownership
- ▶ Potential
- ▶ Priority for the UN
- ▶ Partnerships

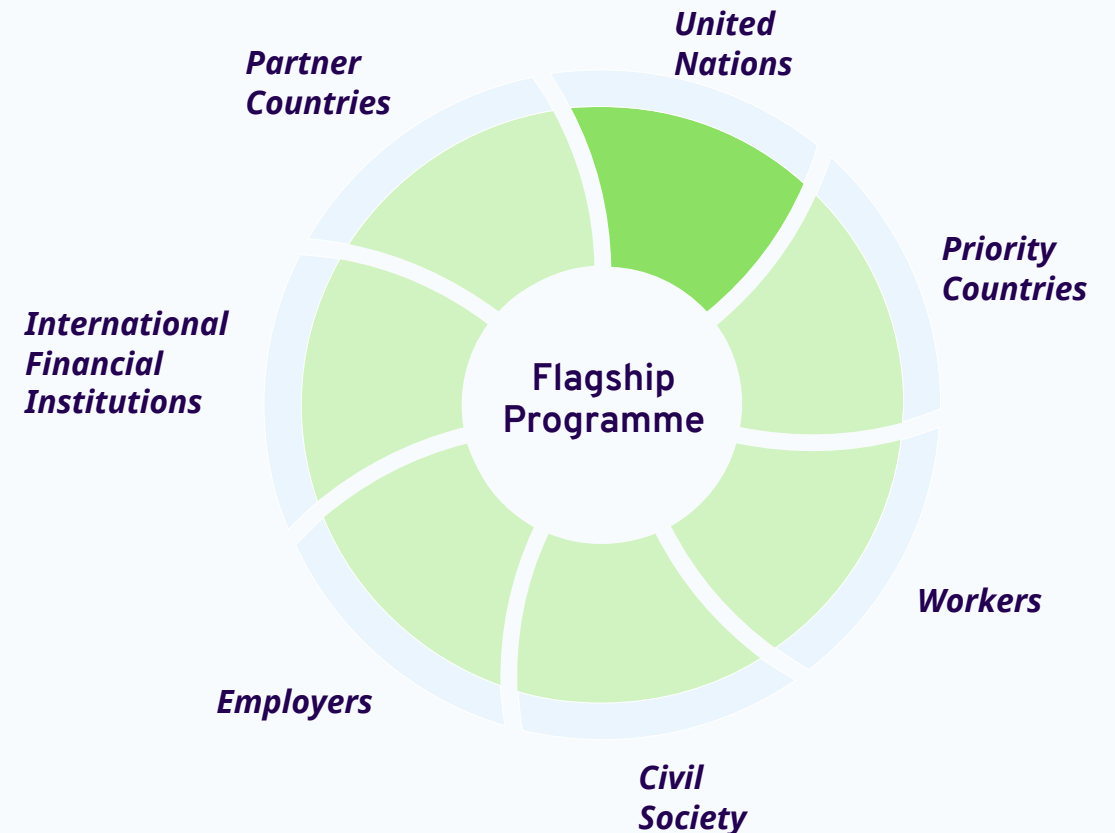

# Technical support based on applied knowledge

# Partnerships for success

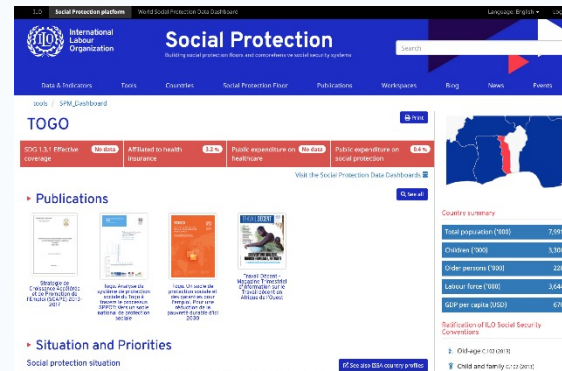

- ▶ Partner countries
- ▶ United Nations
- ▶ International Financial institutions
- ▶ Global Business Network for Social Protection Floors
- ▶ Social Protection, Freedom and Justice for Workers Network
- ▶ Global Coalition for Social Protection Floors
- ▶ Other ILO Flagship Programmes

# How is the Programme monitored?

- ▶ A coherent and common framework
- ▶ Results monitoring tool
- ▶ Country and thematic pages
- ▶ Evidence based communication and reporting
- ▶ A dedicated website

# What is needed to achieve our vision?

## ▶ More resources

- ▶ Estimated budget of 160 million USD
- ▶ Funding gap of 75 million USD

## ▶ Predictable funding and flexible funding

Estimated budget

Budget distribution country/ thematic support

Thank you!
