Why an ESSPROS conference

- The Commission (Eurostat and DG EMPL) is organising a Conference on ESSPROS:
  - to clarify the main strategic ESSPROS developments for the next five to ten years.
- Main users and policy makers needs should be met.
When and audience

- The ESSPROS Conference is planned around mid-November 2014, in Brussels (exact date to be confirmed).

- The audience of this conference is designed so that providers and users of ESSPROS data meet:
  - ESSROS delegates
  - ISG delegates
  - DG EMPL, DG ECFIN, SANCO
  - Other international organisations: OECD, ILO, UNICEF, etc
