Building social protection floors for all

ILO Global Flagship Programme

Monitoring framework of the second phase (2021-2025)
ILO Global Flagship Programme on Building Social Protection Floors for All

- Overall conceptual framework to guide all ILO interventions on social protection

Three pillars
- Country support to 50 priority countries
- Thematic support across 16 areas focusing on leaving no one behind or expertise needed to build robust and resilient SP systems
- Partnerships with the UN, social partners, development partners...
Theory of change

1. Strategic partnership
   - Promotion of R202 principles

2. In-country support
   - Application of R202 principles

3. Thematic support
   - Guided by R202 principles

4. National Social Protection Policy or Strategy

5. Design of SP schemes and systems

6. Operations of social protection systems

7. IMPACT ON PEOPLE

Overarching objective

- Contributing to SDG targets 1.3. and 3.8 as well as other targets (decent work, reducing inequalities,...)

But need to capture

- Comprehensiveness of coverage
- Adequacy of coverage
- Sustainability of coverage: robust and resilient SP systems and sustainable financing
- ILO social protection standards
Principles to evaluate performance of social protection systems

- Recommendation No. 202 on social protection floors includes 19 principles
- Primary responsibility of the State
- Tripartisme for consensus building
- A rights-based approach
- Equitable and sustainable financing
- Good financial and administrative governance
- Coherence with other policies/institutions

**Measurement of outputs/ ILO contribution:** development of knowledge products, capacity building including of tripartite partners, working in partnerships
How do we collect the information?

- Results monitoring tool based on ILO-wide results and development cooperation databases completed by colleagues at country level
- Exchanges with UN Info to exploit synergies
- Country and thematic pages
- Evidence based communication and reporting
Next steps

- Finalise the M&E framework for the 2nd phase of the Flagship programme

- Clarify the methodology for assessing alignment with principles of social protection recommendation 202

- Develop integrated monitoring in support of the UN SG on the accelerator for jobs and social protection
Thank you!
